

Crew Lead Position

Focus Hardwood is a small, family-owned, and growing hardwood floor company. We're seeking a lead hardwood flooring specialist. Looking for candidates with more than one year experience in hardwood flooring. The ideal candidate will have experience in both installing and re-finishing hardwood floors. The person for this position must be detail oriented, reliable, and understand the demands of the industry.

Focus Hardwood strives for the highest quality work. It is our goal to provide the best product and services to our clients. We have worked hard to create exceptional custom hardwood floors. Focus Hardwood has continued to gain an excellent reputation based on our work ethic, high quality product, amazing team, and customer service.

As a company, we take pride in creating art in our clients homes and the person for this position will share in that passion.

The Crew Leads are capable of seeing projects from start to finish, are able to communicate well with team members and clients. We're looking for someone who takes initiative, has great problem solving skills, and can manage projects independently.

About The Position:

- Full-time: Monday thru Friday (overtime available)
- Jobs are located in the Denver Metro and surrounding area

Requirements:

- Able to lift 50 lbs.
- Valid driver license and reliable transportation that is capable of transporting tools and some materials
- More than one year experience in hardwood flooring (new installation and refinishes)
- Knowledge and experience in a variety of hardwood styles, installations, and finishes
- Familiar and comfortable operating necessary machinery, sanding, applying finish, and stain
- Team leadership experience
- Great communication skills
- Project and time management skills
- Professional attitude
- Pass a background check

What We Provide:

- Compensation will be based on experience
- Health Benefits
- Paid vacation
- Bonuses
